

BENEFITS FOR SIFMA ASSET MANAGEMENT GROUP (AMG)

SIFMA AMG is the voice for the buy-side within the securities industry and broader financial markets. AMG prescribes solutions that regulators and industry participants alike classify as critical for addressing the complex issues shaping our industry.

Membership in AMG is open to all registered investment advisers.

Relationships and Consensus Building

AMG provides a forum for market participants to discuss industry best practices and develop legislative and regulatory policies and positions.

Washington Advocacy Agenda

AMG interacts with key regulatory and political government officials through the process of advocating agreed upon policy positions on initiatives that impact our industry.

Reputation Management

AMG, in coordination with SIFMA Communications, publicly represents the interests of asset managers to the media, policymakers, thought-leaders and the general public.

Sell-Side Access

AMG provides member firms with access to relevant professionals at broker-dealers to collaborate on issues, avoid discrepancies in the marketplace and resolve common regulatory and market practice concerns.

Addressing Your Issues

AMG staff makes frequent member-visits to ensure our members' needs are being addressed.
