

# afme / EUROPEAN MARKET LIQUIDITY CONFERENCE

6TH ANNUAL

3 FEBRUARY 2011 | GRANGE ST. PAUL'S HOTEL | LONDON

AFME's 6th Annual Market Liquidity Conference is a high-profile, unique event in the European trading community calendar with **400+** delegates from buy and sell-side attending each year. The content is designed and driven by market participants and therefore insures that debates consist of genuine, in-depth discussion led by experienced, senior speakers.

Attend the event in February 2011 and discuss the changes in market infrastructure, the impact of regulation and the latest trends in trading with your colleagues, regulators and other industry experts.
