Chicago Clearing Corporation (CCC) is the securities class action claims recovery specialist. With over 20 years in the class action sector and staffed by a team of financial industry veterans, CCC is uniquely suited to securities class action recovery. Since 2009 alone, the firm has recovered over \$600 million for its clients.

Securities class action claim filing is a tedious burden. Outsourcing to CCC is the smart solution. CCC tracks over 150 different administrators, law firms and news sources to ensure our clients never miss a settlement. Each day we scour trade data, file claims, and allocate funds--all so that investors can forget the hassle and focus on the markets.

CCC serves a wide range of investors, such as: hedge funds, brokerage firms, bank trust departments, and market makers.

No matter the type of investor, CCC will fight for your settlement recovery.

GlobeTax is the global leader in withholding tax relief for institutional and high-net worth investors receiving cross-border investment income. GlobeTax helps clients maximize investment returns by ensuring that investors receive all legal entitlements from excess cross border withholding tax with fees fully contingent upon successful recoveries. MIDAS, GlobeTax's proprietary withholding tax relief service, is the market gold standard for efficient relief at source processing, eliminating operational and financial risks associated with providing investor clients relief from foreign withholding tax. GlobeTax also manages the market infrastructure for tax recovery on American Depositary Receipts (ADRs), as the appointed agent for the issuing depository banks. The firm has offices on four continents and clients in over 40 countries, filing over 6.5 million claims a year.

SOLUTIONS

As a trusted source for global corporate actions data and workflow tools that streamline activities across the lifecycle of an event, we give clients the confidence they need to effectively process this time-sensitive information. Our experienced team runs data from multiple global sources through our proprietary announcement capture and validation process to quickly rectify any discrepancies, enabling us to deliver timely clean information. You can leverage this information or capture and validate your own announcements using our powerful data engine and event management platform.

Additional configurable software solutions support election and instruction management workflows and entitlements processing. A logical user interface, informative dashboards, and mobile applications provide the latest capabilities to easily review information and stay on top of developments.

We are a Fidelity Investments company and focus on quality, service excellence, and continual investment to meet the evolving needs of the clients we serve around the world. We are also a service provider to many business units within Fidelity.

Process corporate actions with confidence to help minimize time spent, costs, and risks. For more information, visit [www.fidelitycorporateactions.com](http://www.fidelitycorporateactions.com).
