Carol Stabile, Senior Business Manager | sales@safe-banking.com

Safe Banking Systems is a provider of powerful anti-money laundering and compliance solutions that enable institutions to identify, assess and manage risk across the enterprise. SBS' holistic approach reaches across business silos to combat financial crime and find the bad guys that other systems miss. The patented risk ranking methodology and probability scoring model in SBS' award-winning SAFE Advanced Solutions® solve key Know Your Customer, Customer Due Diligence and Enhanced Due Diligence issues. SAFE Advanced Solutions® Visual Intelligence Platform builds on the success of SAFE Advanced Solutions® to bring greater intelligence for entity resolution to clients worldwide.

# Turn compliance into opportunity

It's challenging to see through the maze of rules, regulations and obligations to not only comply, but to drive advantage.

We can help you navigate the maze. We go deeper than rules, understanding the complex intersection of your businesses, industry change and the regulatory environment to go beyond compliance—uncovering opportunities to build and create competitive advantage.

Helping your company get the extraordinary done. That's what PwC does.
