The Florida Securities Dealers Association (FSDA) is committed to achieving fair and balanced regulation and legislation of the securities industry in Florida, as well as providing community outreach through financial literacy educational seminars. Its members represent a wide cross-section of the industry, including national and regional broker-dealers, independent broker-dealers, investment advisors, mutual funds, insurance companies, law firms, consulting firms, and other service providers. The FSDA is unique in that it is the oldest and largest state securities association in the country, having operated continuously since 1933. The FSDA has, for many years, maintained positive working relationships with regulators and key legislators and communicates effectively with respect to pending regulatory and legislative developments. The FSDA is governed by its Board of Governors, comprised entirely of volunteers from member firms who contribute significant time and effort to achieve the FSDA's objectives and lobbies to assist in monitoring and responding to proposed regulatory and legislative changes and to advocate on the Association's behalf.

In its two-decade history of excellence, IMS ExpertServices has provided hundreds of securities and finance experts in support of high-stakes litigation. We believe that registries and databases fall short of capturing the nuance and intricacies required of experts in financial litigation. We deliver the best experts in the world, not the best experts in a directory.

Litigation is full of surprises. The value of having IMS ExpertServices as a partner is that we are never surprised. A full research, recruiting, and project support team ensures that little issues don't become big issues and everyone involved is well-informed and positioned for the best outcome. In short, we deliver experts who position you for the win. Connect with us today.

KING & SPALDING

Booth #500

King & Spalding's Securities Enforcement and Regulation lawyers regularly counsel global banks, broker-dealers, asset managers and pension funds, as well as accountants, attorneys and other active advisors within the financial services industry, across the spectrum of compliance, regulatory and enforcement matters they face. We have deep experience with matters before the SEC, FINRA, CFTC, DOJ and other federal, state, and international and self-regulatory enforcement organizations. The group calls upon the talents of more than 40 former federal prosecutors and senior officials from the SEC and other regulatory and enforcement agencies. King & Spalding's Business & Securities Litigation lawyers regularly defend financial institutions, investment banks and corporate executives involved in high stakes matters. We have handled numerous commercial disputes and shareholder litigations filed throughout the country and have a proven track record of successful results—both at the motion to dismiss stage and, if necessary, all the way through trial.
