Join us as a supporting Sponsor during our series of SIFMA 2018 C&L Regional Seminars

The 2018 Series of SIFMA C&L Regional Seminars will target compliance and legal professionals from the respective regional areas. The majority of attendees will include leading, legal and compliance professionals who occupy decision-making positions within their firms. Many of these individuals are the final decision makers when determining what products and services their firms will purchase that are relative to compliance and legal activities. We are anticipating attendance of 150 - 350+ senior level decision makers, many of which are Senior Compliance Officers representing the Financial Markets Industry.

Position your firm and gain maximum recognition as a Metal Tiered Sponsor by supporting two or more C&L Regional Seminars with investments that offer benefits across many platforms. The showcase of sponsoring firms throughout SIFMA's C&L Regional Seminars will provide participants with personal opportunities to meet and speak with your firm's representatives and cultivate relationships through relevant experiences.
