GT GreenbergTraurig

Greenberg Traurig, LLP has one of the broadest and deepest broker-dealer practices in the country, with team members located in key geographic locations nationwide. We help our clients formulate strategies and take steps to limit litigation and regulatory risk. We regularly serve as lead defense counsel in complex, high stakes enforcement matters before the SEC, FINRA and state regulators. Our trial experience in court and arbitration across the nation is unparalleled: the members of our team have collectively tried to conclusion well over one thousand matters involving a wide variety of issues facing the financial services industry. The value we can provide is enhanced by our commitment to work closely with attorneys in related disciplines throughout the firm.

The financial services industry has a large presence in St. Louis, which is home to several of the country's largest broker-dealers. Greensfelder is widely recognized within this group, having represented St. Louis firms for more than 20 years as well as several other firms throughout the nation. We represent firms in the Midwest and nationwide, litigating securities-related claims in federal and state courts and in arbitration. We defend brokerage firms in class actions, claims filed by multiple plaintiffs or claimants involving product failures and allegations of broker unapproved outside business activity, as well as claims that arise in connection with a broker's termination, including defamation, discrimination and wrongful termination claims. We routinely enforce arbitration provisions through motions to compel arbitration. We also regularly represent firms in connection with regulatory inquiries, investigations and enforcement actions including negotiating and defending cases filed by state, federal and industry regulators.

McGUIREWOODS

McGuireWoods offers a national securities litigation, enforcement and regulatory practice. Our lawyers regularly represent public and closely held corporations, broker-dealers, investment advisers and their officers, directors, employees and associated persons in a full range of security-related matters. Our combination of transactional, litigation and regulatory knowledge means we have a deep understanding of how various broker-dealers and investment advisers operate, the policies of the bodies that govern them, and the nuances of negotiating with the government and SROs.

Our team conducts internal investigations and audits, generating practical advice for clients on establishing and strengthening compliance and supervisory programs. We address issues before they develop into formal investigations, however in the event of an investigation, we provide effective and strategic advocacy in order to defeat or curtail the prospect of formal charges or claims against our client.
