Nearly 51,000 EY financial services professionals around the world provide integrated assurance, tax, transaction and advisory services to our asset management, banking, capital markets and insurance clients. In the Americas, EY is the only public accounting organization with a separate business unit dedicated to the financial services marketplace. Today, the Americas Financial Services Organization

includes more than 11,000 professionals in over 50 locations throughout the US, the Caribbean and Latin America.

EY professionals in our financial services practices worldwide align with key global industry groups, including our Global Wealth & Asset Management Center, Global Banking & Capital Markets Center, Global Insurance Center and Global Private Equity Center, which act as hubs for sharing industry-focused knowledge in order to help our clients address key issues. With a global presence and industry-focused advice, EY financial services professionals provide high-quality assurance, tax, transaction and advisory services to financial services companies worldwide.

## **GLOBETAX**

GlobeTax is the global leader in withholding tax relief for institutional and high-net worth investors receiving cross-border investment income. GlobeTax helps clients maximize investment returns by ensuring that investors receive all legal entitlements from excess cross border withholding tax with fees fully contingent upon successful recoveries. MIDAS, GlobeTax's proprietary withholding tax relief service, is the market gold standard for efficient relief at source processing, eliminating operational and financial risks associated with providing investor clients relief from foreign withholding tax. GlobeTax also manages the market infrastructure for tax recovery on American Depositary Receipts (ADRs), as the appointed agent for the issuing depository banks. The firm has offices on four continents and clients in over 40 countries, filing over 7 million claims a year.
