Dramatic increases in the complexity and volume of corporate actions events have introduced inefficient manual processes and greater exposure to operational, financial and reputational risk. The FIS™ Corporate Actions solution automates the corporate actions process, helping to reduce total cost of ownership and minimize risk. FIS is a global leader in financial services technology, with a focus on retail and institutional banking, payments, asset and wealth management, risk and compliance, and outsourcing solutions. Through the depth and breadth of our solutions portfolio, global capabilities and domain expertise, FIS serves more than 20,000 clients in over 130 countries. Providing software, services and outsourcing of the technology that empowers the financial world, FIS is a Fortune 500 company, employs more than 52,000 people, and is a member of Standard & Poor's 500® Index. For more information about FIS, visit www.fisglobal.com

GLOBETAX

GlobeTax is the global leader in withholding tax relief for institutional and high-net worth investors receiving cross-border investment income. GlobeTax helps clients maximize investment returns by ensuring that investors receive all legal entitlements from excess cross border withholding tax with fees fully contingent upon successful recoveries. MIDAS, GlobeTax's proprietary withholding tax relief service, is the market gold standard for efficient relief at source processing, eliminating operational and financial risks associated with providing investor clients relief from foreign withholding tax. GlobeTax also manages the market infrastructure for tax recovery on American Depositary Receipts (ADRs), as the appointed agent for the issuing depository banks. The firm has offices on four continents and clients in over 40 countries, filing over 7 million claims a year.

SOLUTIONS

As a trusted source for global corporate actions data and workflow tools that streamline activities across the lifecycle of an event, we give clients the confidence they need to effectively process this time-sensitive information. Our experienced team runs data from multiple global sources through our proprietary announcement capture and validation process to quickly rectify any discrepancies, enabling us to deliver timely clean information. You can leverage this information or capture and validate your own announcements using our powerful data engine and event management platform.

Additional configurable software solutions support election and instruction management workflows and entitlements processing. A logical user interface, informative dashboards, and mobile applications provide the latest capabilities to easily review information and stay on top of developments.

We are a Fidelity Investments company and focus on quality, service excellence, and continual investment to meet the evolving needs of the clients we serve around the world. We are also a service provider to many business units within Fidelity.

Process corporate actions with confidence to help minimize time spent, costs, and risks. For more information, visit www.fidelitycorporateactions.com.
