McGUIREWOODS

Networking Luncheon

McGuireWoods offers a national securities litigation, enforcement and regulatory practice. Our lawyers regularly represent public and closely held corporations, broker-dealers, investment advisers and their officers, directors, employees and associated persons in a full range of security-related matters. Our combination of transactional, litigation and regulatory knowledge means we have a deep understanding of how various broker-dealers and investment advisers operate, the policies of the bodies that govern them, and the nuances of negotiating with the government and SROs. Our team conducts internal investigations and audits, generating practical advice for clients on establishing and strengthening compliance and supervisory programs. We address issues before they develop into formal investigations, however in the event of an investigation, we provide effective and strategic advocacy in order to defeat or curtail the prospect of formal charges or claims against our client.
