Chicago Clearing Corporation (CCC) is the financial class action claims recovery specialist. With over 25 years in the class action sector and staffed by a team of financial industry veterans, CCC is uniquely suited to navigate the world of securities and antitrust recovery. Since 2009 alone, the firm has recovered over \$700 million for its clients.

Class action claim filing is a tedious burden. Outsourcing to CCC is the smart solution. CCC tracks over 150 different administrators, law firms and news sources to ensure our clients never miss a settlement.

CCC serves a wide range of investors, such as: brokerage firms, bank trust departments, hedge funds and market makers. CCC's 1,300+ clients represent over \$2 trillion in AUM and manage well over three million client accounts. No matter the type of investor, CCC will fight for your settlement recovery.

Financial Technologies Solutions, LLC (FTS) is the newest technology provider in the financial services industry. FTS provides clients Software Solutions, Consulting and Technical Services. Focusing upon Corporate Actions data and risk management tools, FTS has developed cost effective ISO based applications. Corporate Actions Announcement Processing System (CAAPS). Leaning heavily upon the ISO corporate action model CAAPS is designed around Data Consolidation, Event Management, Risk Management and Information Delivery. FTS has created a User Group consisting of retail and institutional banks and brokers to ensure the design principles meet industry challenges and operating best practices. Recognizing that not all clients process events in the same manner CAAPS provides individual customization for event content, comparison and communications. CAAPS is a secure Cloud Based solution. Each client will access their own Virtual Environment to ensure privacy of their information using encrypted (SSL) web site.

GLOBETAX

GlobeTax is the global leader in withholding tax relief for institutional and high-net worth investors receiving cross-border investment income. GlobeTax helps clients maximize investment returns by ensuring that investors receive all legal entitlements from excess cross border withholding tax with fees fully contingent upon successful recoveries. MIDAS, GlobeTax's proprietary withholding tax relief service, is the market gold standard for efficient relief at source processing, eliminating operational and financial risks associated with providing investor clients relief from foreign withholding tax. GlobeTax also manages the market infrastructure for tax recovery on American Depositary Receipts (ADRs), as the appointed agent for the issuing depository banks. The firm has offices on four continents and clients in over 40 countries, filing over 7 million claims a year.

ACTIONS
SOLUTIONS

As a trusted source for global corporate actions data and workflow tools that streamline activities across the lifecycle of an event, we give clients the confidence they need to effectively process this time-sensitive information. Our experienced team runs data from multiple global sources through our proprietary announcement capture and validation process to quickly rectify any discrepancies, enabling us to deliver timely clean information. You can leverage this information or capture and validate your own announcements using our powerful data engine and event management platform.

Additional configurable software solutions support election and instruction management workflows and entitlements processing. A logical user interface, informative dashboards, and mobile applications provide the latest capabilities to easily review information and stay on top of developments.

We are a Fidelity Investments company and focus on quality, service excellence, and continual investment to meet the evolving needs of the clients we serve around the world. We are also a service provider to many business units within Fidelity.

Process corporate actions with confidence to help minimize time spent, costs, and risks. For more information, visit www.fidelitycorporateactions.com.
