# Deloitte.

Lead. Navigate. Disrupt.

Our Risk and Financial Advisory services professionals help organizations and internal audit functions effectively navigate business risks and opportunities—from strategic, reputation, and financial risks to operational, cyber, and regulatory risks—to gain competitive advantage. We apply our experience in ongoing business operations and corporate lifecycle events to help clients become stronger and more resilient. Our market-leading teams help clients embrace complexity to accelerate performance, disrupt through innovation, and lead in their industries.

Deloitte's internal audit team helps clients enhance the effectiveness, quality, and value received from their internal audit functions. We assist in process efficiency, fraud detection, operational quality, internal control, and regulatory compliance, and we help IA functions improve their performance and operating efficiency to bring greater value to their organizations.

Through strategy, assessments and innovation (analytics; agile; robotics; automation; artificial intelligence; and other modernization initiatives) we advise on critical business issues and help clients anticipate risk.

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients.

EY professionals in our financial services practices worldwide align with key global industry groups, including EY's Global Asset Management Center, Global Banking & Capital Markets Center, Global Insurance Center and Global Private Equity Center, which act as hubs for sharing industry-focused knowledge on current and emerging trends and regulations in order to help our clients address key issues.
