McGUIREWOODS

McGuireWoods LLP is a leading international law firm with 1,100 lawyers in 22 offices worldwide. It ranks as the top firm in the business of law in Financial Times' prestigious North America Innovative Lawyers report. The firm has been recognized 13 times on BTI Consulting's "Client Service A-Team" — elite firms singled out for client service excellence based on unprompted feedback from clients in major companies. Its full-service public affairs arm, McGuireWoods Consulting LLC, offers infrastructure and economic development, strategic communications and grassroots advocacy, and government relations solutions.

Moore&VanAllen

With over 300 lawyers and other professionals, more than 130 of whom regularly serve financial services clients, Moore & Van Allen offers a comprehensive suite of world class legal services with significant value. Our internationally capable White Collar & Investigations Group regularly leads responses to government investigations across North and South America, Europe and Asia. Our Regulatory Advisory Group represents financial services firms in matters central to their relationships with their key regulators, including addressing supervisory criticism, recovery and resolution planning, board governance, CCAR and data privacy. Our trial lawyers litigate cases, including class actions, on a wide array of topics for our financial services clients ranging from lending and securities disputes to claims involving ERISA, employment or intellectual property matters. Across Moore & Van Allen's platform, we build relationships based on partnership, listening, hard work, value and common sense.

EY is a leader in serving the financial services industry

We understand the importance of asking great questions. It's how you innovate, transform and achieve a better working world. One that benefits our clients, our people and our communities. Finance fuels our lives. No other sector can touch so many people or shape so many futures. That's why globally we employ 26,000 people who focus on financial services and nothing else. Our connected financial services teams are dedicated to providing assurance, tax, transaction and advisory services to the banking and capital markets, insurance, and wealth and asset management sectors. It's our global connectivity and local knowledge that ensures we deliver the insights and quality services to help build trust and confidence in the capital markets and in economies the world over. By connecting people with the right mix of knowledge and insight, we are able to ask great questions. The better the question. The better the answer. The better the world works.
