**THE FOUNDATION
FOR SECURE
MARKETS**

As the foundation for secure markets, OCC is a cost-efficient, customer-driven organization that delivers world-class risk management, clearance and settlement services to the U.S. exchange-listed options market. Our role as a Systemically Important Financial Market Utility is critical to providing financial stability for market participants, investors, and the broader economy. OCC provides central counterparty (CCP) clearance and settlement services to 20 exchanges and trading platforms for options, financial futures, security futures, and securities lending transactions. Named 2019 Best Clearing House by Markets Media and 2018 Clearing House of the Year – The Americas by FOW, OCC promotes continued education of the listed options markets through The Options Industry Council (OIC).

Contact: *Pat Hickey, Senior Vice President, Product and Business Development, OCC, 125 S. Franklin Street, Suite 1200, Chicago, IL 60606 / 312-322-2566 / phickey@theocc.com / www.theocc.com*

Aplomb Strategies is a market structure, regulatory and technology (“RegTech”) consulting firm. We specialize in identifying trends in regulation to proactively design future proof technology for our financial clients. Aplomb’s client list includes exchanges, clearing firms, and registered entities such as broker dealers and hedge funds. Aplomb Strategies helps financial institutions capitalize on global market structure changes. Our focus allows our client partners to understand and implement new organizational processes to address global regulatory change, mitigate workflow inefficiencies and implement cost optimization to drive opportunities for growth.

Aplomb advises senior management, recommends technology solutions, implements regulatory strategies and conducts end to end reviews of procedures to support compliance globally across asset classes (equities, listed options, futures, fx, fixed income and OTC derivatives).

In a world of rapid market structure change, find opportunity.

Launched in 2011, Dash Financial Technologies is the industry's leading capital markets technology and execution provider. DASH's philosophy is simple: with technology, clients should be empowered to craft, analyze and refine bespoke solutions calibrated to their precise performance goals. Using the award-winning DASH360 platform, clients receive full routing and cost transparency and a comprehensive suite of tools to visualize all aspects of their orders in real time.

With this emphasis on technology, DASH has become the industry's leading provider of wholly customizable and transparent trading solutions, routing approximately 15% of the daily OCC volume and an additional 30% touching its workflow and compliance tools.

For more information go to www.dashfinancial.com.

Credit Suisse AG is one of the world's leading financial services providers and is part of the Credit Suisse group of companies. Our strategy builds on Credit Suisse's core strengths: its position as a leading wealth manager, its specialist investment banking capabilities and its strong presence in our home market of Switzerland. We seek to follow a balanced approach to wealth management, aiming to capitalize on both the large pool of wealth within mature markets as well as the significant growth in wealth in Asia Pacific and other emerging markets, while also serving key developed markets with an emphasis on Switzerland. Credit Suisse employs approximately 46,360 people. The registered shares (CSGN) of Credit Suisse AG's parent company, Credit Suisse Group AG, are listed in Switzerland and, in the form of American Depositary Shares (CS), in New York. Further information about Credit Suisse can be found at www.credit-suisse.com.
