At **KPMG LLP** (KPMG), we come to work every day because we are passionate about helping our clients address business challenges. The 35,000 partners and professionals who make up KPMG—part of KPMG International's global network of more than 200,000 client-focused professionals—have a rich understanding of the financial services industry and cross-border business. **KPMG's Information Reporting & Withholding Tax Services** professionals offer a wide range of information reporting services and technology solutions to help our clients comply with U.S. and foreign withholding requirements and reporting regimes, such as Chapter 3 regulations, FATCA, and CRS. In addition, by actively working with KPMG International member firm professionals, we can advise you on local country rules and procedures, while helping you implement a consistent global approach. To learn more about this experienced team, which includes individuals who have worked at financial services companies, U.S. Treasury, the IRS, and the OECD, visit read.kpmg.tax/irw.
