FICO® powers decisions that help people and businesses around the world prosper. Founded in 1956 and based in Silicon Valley, the company is a pioneer in the use of predictive analytics and data science to improve decisions. The FICO® Score is used across the lending lifecycle and throughout the credit ecosystem, helping lenders, regulators, debt purchasers, consumers and other parties have a common understanding of credit risk. FICO® Scores were solely cited as the credit risk measure in over 98.8% of total dollars in U.S. Securitizations.*

*Mercator Advisory Group Asset Back Securitization Study for credit card and auto loans and leases in 2018.
