Baker McKenzie.

Baker McKenzie's North America Financial Regulation & Enforcement Practice provides clients with a full range of regulatory advice and enforcement counseling. This integrated approach helps clients navigate the challenges presented by developing new products and offering financial services in a rapidly changing regulatory environment, while simultaneously considering how to assess and minimize potential enforcement exposure. Enforcement investigations and regulatory examinations are similarly addressed, not only with considerable enforcement experience, but also by fully leveraging the enormous value added by regulatory expertise.

GOLD

For almost 40 years, Bressler, Amery & Ross, P.C. has provided its financial services industry clients with a national litigation, enforcement, and advisory practice, encompassing a wide range of securities and employment matters. With offices in New York, New Jersey, Florida, and Alabama, Bressler's Securities Practice Group is one of the largest in the nation, with approximately 70 experienced attorneys representing global, national, regional and independent broker-dealers, investment advisors, banks and other financial institutions as well as registered individuals. Our firm successfully represents clients in federal and state courts, as well as before arbitration panels, federal and state regulatory agencies, and self-regulatory organizations. We work closely with in-house counsel and business clients to develop cost-effective, thoughtful and tailored case strategies which we then implement with excellence and efficiency. In addition, we have broad expertise conducting internal investigations and counseling clients on domestic and international regulatory, compliance, operational and transactional matters.

EY is a leader in serving the financial services industry (150 words)

We understand the importance of asking great questions. It's how you innovate, transform and achieve a better working world. One that benefits our clients, our people and our communities. Finance fuels our lives. No other sector can touch so many people or shape so many futures. That's why globally we employ 26,000 people who focus on financial services and nothing else. Our connected financial services teams are dedicated to providing assurance, consulting, strategy, tax and transaction services to the banking and capital markets, insurance, and wealth and asset management sectors. It's our global connectivity and local knowledge that ensures we deliver the insights and quality services to help build trust and confidence in the capital markets and in economies the world over. By connecting people with the right mix of knowledge and insight, we are able to ask great questions. The better the question. The better the answer. The better the world works.

 **Relativity** Trace

At Relativity, we make software to help users organize data, discover the truth, and act on it. Our platform is used by more than 13,000 organizations around the world to manage large volumes of data and quickly identify key issues during litigation, internal investigations, and compliance operations with SaaS platform RelativityOne and Relativity Trace. Relativity has over 329,000 enabled users in 48+ countries from organizations, including the U.S. Department of Justice, and 199 of the Am Law 200.
