MORNING BELL

Biden signs aid bill a day earlier than expected
President Joe Biden signed the \$1.9 trillion coronavirus relief bill Thursday, one day sooner than expected. Americans could receive direct financial assistance as early as this weekend, White House press secretary Jen Psaki says. The 10-year Treasury yield increased to 1.61% this morning. **Full Story:** [Bloomberg](#) (3/11), [Bloomberg](#) (3/12), [CNN](#) (3/11), [Financial Times](#) (subscription required) (3/11)

We can help you pivot for success in the next normal

This past year brought unprecedented challenges, economic downturn, and medical upheaval. As banks, securities and capital markets firms begin to recover from the impacts of COVID-19, they may want to consider how they can reposition their organization to thrive in the next normal. Our experienced team of more than 5,500 banking and capital markets professionals deliver comprehensive, innovative services to help you efficiently navigate through today's challenges. Our professionals can help you address important issues, including cloud, cybersecurity, regulatory compliance, operational and digital transformation.

Deloitte provides industry-leading audit, consulting, tax, and advisory services to many of the world's most admired brands, including 82% of the Fortune 500® and more than 5,000 private and middle market companies.

At EY, we share a single focus — to build a better financial services industry, one that is stronger, fairer and more sustainable.

Our strength lies in the proven power of our people and technology, and the possibilities that arise when they converge to reframe the future.

Our professionals are dedicated to the industry, and live and breathe financial services. This deep sector knowledge combined with a holistic point of view, delivers true value from strategy through to implementation. Whether your business challenge is specific, complex, small or large, we can be trusted to deliver solutions that work for today and tomorrow.

By using technology as a tool, to transform what a business can be, and people can do, we are building long-term value for our financial services clients. It is how we play our part in building a better working world.

Stephen Mellert, Managing Director, Business Development | 646.808.2180 | stephen.mellert@matrixapps.com

Founded in New York in 2000, Matrix Applications is a fintech service bureau offering a suite of products and services for institutional fixed income clients. We work hands-on with our clients to identify an optimal service mix, from simple position management to complex settlement services. We leverage our extensive technical experience, a deep network across the finance industry and a team of Operations, Regulatory and Legal gurus to deliver bespoke managed services for firms – big and small – worldwide. Every day. Without fail. And since 2012, Matrix has offered the MarginCalculator service, helping firms manage their margin requirements for forward-settling transactions in the MBS market to comply with the TMPG recommendation and FINRA Rule 4210.

CADWALADER

200 Liberty Street, New York, NY 10281
212.504.6000 | cwtinfo@cwt.com | www.cadwalader.com

Scott Cammarn, Co-Chair, Financial Services Group | 704.348.5363 | scott.cammarn@cwt.com

At Cadwalader we advise the world's leading financial institutions, corporations and funds. We counsel clients on statutory and regulatory requirements, including those governing banks and bank holding companies, foreign banking organizations, nonbank finance companies and lenders, broker-dealers, securities and futures exchanges, swap dealers, investment advisers and funds. We advise hedge funds, private equity funds and asset managers on structuring funds and raising capital. We also represent issuers, dealers and end-users on complex derivatives and structured products transactions. We advise a variety of secondary market investors on the regulatory aspects arising in connection with the purchase of consumer and commercial receivables.

Chapman and Cutler LLP

Attorneys at Law • Focused on Finance®

111 West Monroe Street, Chicago, IL 60603
312.845.3000 | www.chapman.com

Hillary Phelps, Partner | 312.845.3729 | hphelps@chapman.com

Chapman is a law firm focused on finance. With industry-leading practices in commercial lending, structured finance, public finance, lease finance, registered investment companies, insurance company private placements, and bankruptcy and restructuring, Chapman advises asset managers, broker-dealers, and investment banks on securities law issues and regulation and compliance matters.

Dechert

LLP

1900 K Street NW, Washington, D.C. 20006
202.261.3300 | www.dechert.com

K. Susan Grafton, Partner | 202.261.3399 | susan.grafton@dechert.com

Dechert is a leader in providing sophisticated counsel to broker-dealers and other financial services providers. We advise full service, institutional and retail broker-dealers, alternative trading systems, investment banks, fund distributors and placement agents on a wide range of SEC, self-regulatory organization, and ERISA legal and regulatory compliance issues. Our team also has deep experience counseling clients on sales, trading, market structure, financial responsibility and supervisory issues. We also have deep experience advising on Regulation Best Interest, the Department of Labor's fiduciary duty and state standards of conduct. Dechert frequently appears in court and before the SEC, CFTC, states, and SROs, especially FINRA, on behalf of broker-dealers, and represents firms in disputes with customers and controversies.

Transform risk and complexity into advantage

Business strategy is often developed without a full picture of the regulatory landscape, risks and the distinctive capabilities necessary to create advantage.

Our professionals will work with you to explore multiple angles to uncover hidden threats and opportunities in different strategies so you can manage risks and build your distinctive capabilities.

Theta Lake provides security and compliance for modern collaboration platforms using frictionless partner integrations with Cisco Webex, Microsoft Teams, RingCentral, Slack, Zoom, and more. Using patented machine learning and NLP, Theta Lake detects risks in video, voice, chat, and document content across what is shared, shown, spoken, and typed. Those risks are surfaced in an AI-assisted, patent-pending review workspace that adds consistency, efficiency, and scale for security and compliance teams. All of this enables organizations to safely realize the full ROI of a collaboration-first workplace while reducing the cost of security and compliance.

William (BJ) Marcoullier, Head of Sales & Business Development
bj.marcoullier@transcendstreet.com

Transcend presents a smarter way to optimize your business. We're the only technology firm delivering true, enterprise-wide optimization of global assets, funding and liquidity – in real-time. Our innovative solution, developed with decades of industry expertise, efficiently integrates with existing infrastructure to deliver next generation capabilities – from recommending the best trading or collateral movement to connecting assets and liabilities or addressing regulatory requirements. With smarter analytics, firm-wide optimization and full automation, we help firms deliver the best opportunities for themselves and their clients, driving better results for their collateralized businesses.

Jane Dempsey, Senior Integrate Marketing Manager, Financial Services & Insurance | jdempsey@yext.com

The journey starts with a question, and every day consumers search for answers about brands. However, they are increasingly served false or misleading information from sources other than the brand. Yext, the Search Experience Cloud company, exists to help brands regain and maintain a direct relationship with their customers. With a mission to provide perfect answers everywhere, Yext puts businesses in control of their facts online by delivering brand verified answers straight from the source — wherever their customers are searching. Companies and businesses around the world use Yext to take back control of the customer journey, starting on their own website.

FOUNDATION

SUPPORT FINANCIAL LITERACY TODAY!

For 43 years, SIFMA Foundation has worked with the securities and banking industry to expand financial literacy and forge career pathways for youth of all backgrounds. Partnerships with hundreds of SIFMA member firms have benefitted 20 million youth, engaging them in the capital markets, including an annual 300,000 girls, 250,000 students from economically underserved communities and more than 200,000 students of color.

By supporting the nonprofit SIFMA Foundation, you will advance community impacts and build goodwill with stakeholders while exposing youth of all backgrounds to personal finance, capital markets and financial careers. SIFMA members can increase this impact, deepen community ties, and enhance the industry's reputation in Three Easy Ways:

1. **Become a Volunteer:**

Access Hundreds of Activities at InvestItForward.sifma.org

2. **Offer a Grant:**

Contact Our Grants Department at Foundation@sifma.org

3. **Donate Online:**

Give to the Foundation at Vault.sifma.org/foundation-Donation

Get Active In Your Community!

Invest It Forward® is seeking financial professionals to volunteer virtually or in-person with schools nationwide and bring capital markets to life for youth of all backgrounds. Access hundreds of group and individual volunteer opportunities at InvestItForward.sifma.org

InvestWrite® is seeking volunteers to judge 4-12th grade students' essay-style long-term financial plans in this national competition. Judging is simple and takes less than two hours of your time. There are no meetings or phone calls. Register at investwrite.org/judges
