Many collateralized businesses are challenged with critical data, technological, and operational gaps, with key information disconnected throughout the firm. As a result, they are unable to make the most informed decisions, leaving millions on the table. Transcend is the only solution to provide you with both a full picture of your business as well as the tools to automate optimal decisions. Powerful capabilities harmonize and analyze disparate data including eligibility terms, global inventory, collateral obligations and cash flows. With a complete scope, Transcend is equipped to identify and execute truly optimal collateral moves and trades, resulting in transformational improvements to business performance and efficiency such as:

- Automated optimization with 5-15 bps in potential annualized savings
- Enhanced financial resource utilization and HQLA retention
- Seamless collateral mobilization across complex ecosystems
- Cross-functional transparency from a centralized platform in real-time
- Systematic regulatory reporting and proactive risk mitigation

FOUNDATION

SUPPORT FINANCIAL LITERACY TODAY!

For 44 years, SIFMA Foundation has worked with the securities and banking industry to expand financial literacy and forge career pathways for youth of all backgrounds. Partnerships with hundreds of SIFMA member firms have benefited more than 20 million youth, engaging them in the capital markets, including an annual 300,000 girls, 250,000 students from economically underserved communities and more than 200,000 students of color.

By supporting the nonprofit SIFMA Foundation, you will advance community impacts and build goodwill with stakeholders while exposing youth of all backgrounds to personal finance, capital markets and financial careers. SIFMA members can increase this impact, deepen community ties, and enhance the industry's reputation in Three Easy Ways:

1. Become a Volunteer:
